OUR ALMA MATER

The 1950 Hamiltonian

Published by

The Senior Class

of

Hamilton Township High School

Lockbourne, Ohio

Foreword . . .

This year marks the end of the most eventful half century of human history. During the past fifty years atomic energy, radio, the airplane, disease conquests, new materials, longer years of life, and a realization that there are other universes than our own are but a few of the developments that have been realized.

From the early telephone and Marconi wireless we have the great electrical communications that permit us in Ohio to see a Rose Bowl game that has been played in California. But we take these things for granted because they have been our inheritance from those who sacrificed in the past.

Two great wars have been fought during this half century and they have made us conscious of the whole world in which we live. No longer can Americans afford a splendid isolation; rather, our nation and its sons and daughters must enter courageously into world events that call for our leadership. This challenge makes us humble in the light of the accomplishments of the great people of the past.

The Class of 1950 is deeply indebted to those who have made our world a happy place in which to live. We could never forget our parents and their sacrifices. Without their help we would never know the happy day of graduation.

The Class of 1950 feels indebted to all who make it possible to publish this annual. We would like to thank all the advertisers for their help and the faculty members who gave of their time.

In painting the past we are ever conscious of the years ahead and the pictures that we will paint in the future. May they ever reflect the high ideals of our Alma Mater.

The Senior Class of 1950

Dedication . .

We, the members of the Senior Class of Nineteen Hundred and Fifty, dedicate this volume of the Hamiltonian to Mrs. Eva Sherman.

We greatly appreciate the support and encouragement she has given us along our path of education, and for her conscientious work as Clerk of the Board of Education and school secretary.

To her we say Bon Voyage in her new path, as she and we part from our Alma Mater.

Mrs. Eva Sherman

Our Superintendent

DWIGHT L. STRAUSBAUGH, *Supt. of Schools*

A.B. Rio Grand College, 1925

M.A. Ohio State University, 1930

Mr. Strausbaugh is typical of school men who have come to the superintendency with years of teaching experience and executive work. First, he was an elementary school teacher, then principal and later superintendent of schools which tells the story of his accomplishments.

Mr. Strausbaugh has been affiliated with Franklin County schools for more than twenty years, having been principal of Hilliards High School and Superintendent of Gahanna Lincoln High School prior to coming to Hamilton.

Our Principal

R. P. HEISCHMAN, *Principal*

A.B. Defiance College, 1935

U.S. Navy, 1942-1945

Mr. Heischman has been our principal during our junior and senior years at Hamilton. Before his admission into the Navy, he was a teacher of mathematics at Delta High School.

The Senior Class considers him a friend, especially for his cooperation in making the annual.

Our Friends

SCHOOL BOARD

Left to right: Lewis Eakin, Clarence Forshey, Mrs. A. M. Sherman, Frank Peters, L. D. Dowler, D. Strausbaugh. Not shown: Raymond Hann.

For the untiring efforts of the Board of Education, the members of the Class of Nineteen Hundred and Fifty are greatly indebted. New members who took office in January are Mr. Clarence Wiseman and Mr. Cyrus Donahue.

PARENT-TEACHERS ASSOCIATION

Attree McClish, President

The Parent-Teachers Association has been very active during our school days at Hamilton. Their conscientious efforts to make our school one of the best are indeed appreciated.

John Lewis, *President*

BOOSTERS' ATHLETIC CLUB

The Boosters' Athletic Club was organized to encourage athletics. Each year they have had a Bingo-Euchre party and other money-raising projects.

Their interest in athletics is real. Last year during the football season they assisted on the field in handling the crowd. Their help with parking was also appreciated.

Mrs. Lewis Eakin, *President*

BAND BOOSTERS' CLUB

The Band Boosters' Club was formed in 1949 and have as their aim the encouragement of the Music Department in the high school.

This group took charge of the concession stands at the football games and raised enough money to buy uniforms. It is their further aim to buy expensive equipment for the band which the ordinary student does not buy. Without doubt such additions will aid Hamilton Township High School in having an outstanding band.

Juniors

The Senior Class is very proud to give to the Junior Class its place in Hamilton Township High School. We have had happy years, and to you we give the challenge to participate effectively in scholarship and activities.

The Junior Class entertained us most graciously at the Fiesta Club on May 11. The decorations in the colors of the two classes, with pink carnations and white roses, presented a gay appearance. To the Juniors for this lovely Junior-Senior Banquet we say "Thanks again".

The Hi-Y and Tri-Hi-Y organizations have been very active this year at Hamilton Township School. It is felt that when they are given proper recognition they will be of great help in developing the ideals of their clubs—to create, maintain, and extend throughout our homes, schools, and community high standards of Christian character.

The social calendar included swimming meets and parties at the Y park.

The Hi-Y gave \$20.00 to the Community Chest and bought basketball jerseys for the boys. Movies were shown at noon for the entire school which helped defray the expenses involved.

The Clubs are grateful for the work of Mr. Glaze Thompson of the Y.M.C.A. and Mr. George Campbell who led a song service for the entire school.

The Spanish Department, under the direction of Mr. McMichael, has advanced greatly. Besides having new books and a wire recorder, the Spanish students have learned regional dances and customs. On Nov. 29, the group demonstrated the Samba, Tango, Rhumba and the Raspa in a colorful, entertaining program.

The Hamilton High School Library was reorganized in the fall of 1948, by Gertrude Wright, a full-time graduate librarian. The library has approximately 1800 volumes. During the first semester of the school year, 4848 books were circulated. This figure represents only books taken from the library and does not include the many reference books used daily. The library subscribes to 28 magazines which cover various fields of interest.

FOOTBALL STORY OF 1949-50

HAMILTON 8	HAMILTON 0	HAMILTON 2	HAMILTON 12
GAHANNA 19	HILLIARDS 21	MIFFLIN 40	REYNOLDSBURG 18

Although Hamilton's football season was rather disappointing in that there were no games won, the season could not be termed unsuccessful. The boys, all of them, played their hearts out for their Alma Mater. Many beautiful passes were thrown and many received that seemed to be almost winners for our boys. Those long to be remembered were seen at the Groveport, Gahanna and Reynoldsburg games.

Good sportsmanship was evident in all the games. Injuries were costly to the team, especially in the Hilliards game when Gail Manning, Frank Trott and Duane Stevens were out of the game after being hurt. In the Mifflin game Frank Trott received a slight brain concussion and was treated at Mt. Carmel Hospital. The Groveport game saw Ray Beard injured. At the Dad's Night game, with Reynoldsburg, Duane Stevens suffered a split tongue.

One of the games that showed the spirit of our boys was the homecoming game with Dublin, which ended in a 7-7 tie. The boys kept on fighting every minute of the game and though we neither won nor lost, we considered it a moral victory for Hamilton.

The Girls Athletic Association was active in promoting interest in games, health and sportsmanship. Each six-weeks school period showed a new athletic project. Swimming parties were also held at the K. of C. Hall to which the alumni were invited.

During the football homecoming the G. A. A. provided the band for the dance, flowers for the queen and her court, and were responsible for the beautiful decorations in the gymnasium.

During the noon hour, dances were held to which students from the entire school were invited without charge. Here round, square, Virginia Reel and Schottische were taught by the athletic director, Mrs. Belcher.

Cheerleaders

The Varsity cheerleaders shown on this page have been seen for many seasons. They were varsity football cheerleaders during the 1948-1949 season. During 1947-1948 they were reserve football cheerleaders.

During three basketball seasons they were active serving as varsity cheerleaders for the 1948-1949 and 1949-1950 years; while during the 1947-1948 season they were reserve cheerleaders.

Hamilton High has seen a high standard of cheerleading with these four and to them we feel indebted.

BASKETBALL HOMECOMING

On February 10, 1950, Miss Janet Johnston, queen, was crowned. The ceremony was held between the reserve and varsity games.

Janet wore a white formal with a corsage of red roses. Nancy Overstreet was her maid of honor. Rita Ross, sophomore, Elaine Eisnaugle, junior, and Margaret Smith, junior, were in the court. Miss Vivian Beiar, queen of 1949, crowned Miss Johnston.

A dance followed the game, at which the queen reigned.

The 1949-50 basketball season came out with nine wins and eight defeats. Three of these games were in the Franklin County Tournament.

Our team was one of the smallest in Central Ohio and is noted among the county teams for its speed.

Hamilton is the only team which had the first five recognized on THE COLUMBUS DISPATCH ALL-COUNTY TEAM:

Gail Manning	1st Team
Ralph Lockett	2nd Team
Don Smith, Emmett Cannon, Bub Fisher....	
.....	Honorable Mention

This recognition was given to Hamilton's team *not* because they had the five best players but because of the fact that they displayed a fine team spirit and played together come victory or defeat.

Ralph Lockett	2nd Team
Don Smith, Gail Manning	
.....	Honorable Mention

At every game we had a different captain. At the homecoming game, Don Smith was chosen as the official captain of the 1949-50 squad. He is a guard and played his last season with Hamilton this year.

Gail Manning came in 4th in the county in scoring. He had 197 points. Gail was the center on our team and contributed a lot of clean playing to our games.

Ralph Lockett was selected as an all-county guard. He is one of the smallest and fastest players we had.

Emmett Cannon and Ronald "Bub" Fisher are the only two of the first five who will return next year. They were a credit to our team this year and next year should prove themselves again.

WE ARE
PROUD !

Hamilton Township High School is justly proud of the track team she has had. Gail Manning, one of the members of the class of 1950, was outstanding in the high jump in the following events. In the year 1949 he achieved the record of being first in the County, first in the District and third in the state for which he received a gold track shoe.

MUSIC DEPARTMENT

MAJORETTES

This year we had three new Majorettes who did a fine job. They were Carol Hoon, Carolyn Rollins and Elaine Eisnaugle. The old ones were Eloise Wyatt, Joan Hoon and Wanda Bond.

There was more twirling this year and quite a few new ideas were used such as The Big Eagle, the Big Eagle Pass in front and back. At the football homecoming they worked out a neat dance step. Eloise, the head majorette, was the Senior attendant in the Homecoming Court so there were tryouts held and Joan Hoon was chosen to take the head majorette's place. Nancy Welch filled Joan's place.

Eloise Wyatt, Joan Hoon, Carol Hoon, Carolyn Rollins, Elaine Eisnaugle, Wanda Bond.

THE MARCHING BAND

Hamilton's marching band stepped out thirty-five strong at the first football game of the season, with Eloise Wyatt, the head majorette, in the lead, and the five other majorettes, Joan Hoon, Carol Hoon, Wanda Bond, Carolyn Rollins and Elaine Eisnaugle, close behind.

The band was invited to Mifflin September 30 to play for the third game of the season. They accepted willingly and the "Old Oaken Bucket" was formed while the song was being played. Hamilton played their victory song and formed the letter H. Both bands played the Star Spangled Banner.

Those included in the percussion group were: Don Hettler, Harry Hall, Donna Neidigh, Virginia Ball, and Phyllis Helsel.

The woodwind group included: Shirley Gordon, John Hurley, Louise Landis, Jack Lewis, Harold Mitchell, Marilyn Myers, Ann O'Harra, Larry O'Harra and Rita Ross.

Our Class History . . .

On the first day of school, September 2, 1946, one hundred and three boys and girls entered the front door of Hamilton High School for the first time as Freshmen. We all thought that we were really "big shots" then. The first few weeks of school were spent trying to get used to the new rulings that were expected of us as Freshmen. We were all looking toward the pleasant and happy times we would have in high school. We filled three home rooms under the direction of Mr. Lynch, Mr. Black, and Mrs. Swerlein. Many boys went out for sports, some making the Reserve Team. Class elections were held and the officers were: President, William Kramer; Vice-President, Lois Dowler; Secretary and Treasurer, Ralph Lockett; Student Council, Nancy Lytle. Eloise Wyatt represented us in the Queen's Court, and also Nancy Overstreet had the honor of being Head Majorette that year.

We came back in September of 1947 as Sophomores and with a little wiser look on our faces as we peered down upon the new Freshmen. But of course, we told them some of the tricks we had played and some ideas on how to hook classes. This year the class was small and only filled two home rooms, with Advisors Mrs. Belcher and Mr. Hope. Then elections got underway with President, Doyle Scarberry, and Student Council Representative, Nancy Lytle. Four girls from our class that year were chosen as Reserve Cheerleaders. They were Janet Johnston, Eloise Wyatt, Nancy Lytle and Nancy Overstreet. In the Queen's Court for Football we nominated Mary Lou Burchfield and for Basketball, Ruth Holden. In Basketball we won the class tournaments. Our class made a great contribution and our boys ventured into the Varsity Team.

In our Junior year the class numbered eighty-three students. The school was more aware of us, for we were active members in many activities of the school such as G.A.A., Hi-Y, Tri-Hi-Y, Future Teachers, Mixed Chorus, Band, Orchestra, and Science Club. We had an eventful year under the supervision of Mrs. Swerlein and Mrs. Smith. We had been looking forward to the Junior-Senior Banquet ever since we had entered high school. The Class Play, which was "A Date With Judy", under the direction of Mrs. Thomas, was a responsibility we loved. This year members of our class were selected for the Honor Society. The Reserve Cheerleaders, of the Sophomore year, had now moved up to Varsity, and the boys were playing Varsity ball in all sports. For the Queen's Court we nominated Joan Hoon and Hilda Wears to represent us in Football, Pauline Reed and Nancy Overstreet in Basketball. Also this year Eloise Wyatt took over the position of Head Majorette. Ralph Osborne, as President, led the class through this year with Lois Dowler as Vice President; Raymond Beard as Secretary; Allen Fry as Treasurer; Attree McClish, Wanda Canny and Don Leddy on the Student Council.

Seniors—at last! We were all so happy to be enrolled as Seniors but now as graduation time draws near we are all wondering if we won't miss the Old Alma Mater. Officers for our biggest year were: President, Robert Slark; Vice President, Gail Manning; Secretary, Ruth Holden; Treasurer, Allen Fry; Student Council, Bob Darst, Don Smith, Nelson Houck, and Nancy Lytle. This year our class numbered seventy students. A large number was added to the Honor Society from our class again this year. All totaling eighteen, they are as follows: Laura Mae Creech, Mary Bentley, Ruth Holden, Jean Kramer, Nancy Overstreet, Eloise Wyatt, Attree McClish, Nancy Lytle, Joan Rawlins, Mary Lou Burchfield, Lois Dowler, Norma Karshner, Bob Slark, Marilyn Athey, Jane Mullen, Ray Beard, Allen Fry, and Nelson Houck. Then we were faced with the problem of producing an annual, and with Mrs. Cope we started first by getting Advertisements. Next we had stories to get, have the pictures taken, and many other things before we were ready to go to press, February 1.

This year we were led by Mrs. Belcher as our Home Room Advisor. Our Football Queen was Hilda Wears, with Eloise Wyatt serving in her Court, and for Basketball we selected Janet Johnston as Queen with Nancy Overstreet serving in her Court. Our Senior Class Play was "Mystery in the Library", presented on May 5, 1950, under the direction of Mr. McMichael. Seniors who gained noteworthy positions were Paul Beggrow, President of Hi-Y; Pauline Reed, President of Tri-Hi-Y; Ruth Holden, Honor Society Officer; Lois Dowler, President of G.A.A.; Don O'Harra, President of Photography Club; Allen Fry, President of Science Club; Ray Beard, President of Future Teachers Club; Nancy Lytle, Co-Chairman of Student Council; Nelson Houck, Co-Chairman of Student Council; Ruth Holden, School Paper Editor; and Don Smith, Editor of the Annual. We all enjoyed our Junior-Senior Banquet given to us by the Juniors on May 11, 1950.

And so graduation ends our happy high school days with Hamilton High School on May 25, 1950.

Johnny

CLASS PROPHECY

January 1, 1960

Dear Classmates of 1950:

While flying over Dallas, Texas, to my amazement I realized that I was running low on gas. I tried to land as carefully as I could and to my delight saw the perfect landing on a farm. As I descended from the plane a woman came from the farm house and who should it be but our former *Wanda Canny*. We were so excited, and, of course, fell into conversations so fast that we scarcely realized that ten years had rolled away since we had seen each other.

What a noise—a car just breezed along the road. Who could it be? It was none other than *Ray Beard* in his new Super 20 Cadillac. It seems that he had become a very successful salesman and he interviewed the ranch owners about every January.

How delightful it was on the beautiful ranch of Wanda's. Then along came the United States Postal truck and from it emerged *Paul Jarvis*, who had a letter from *Joan Rawlins Jones* and *Jane Mullen Jones*. It seems that they had married the Jones boys. Their letter told so many interesting things. They were manufacturers of popcorn—in fact the largest in the world. Dear Old Hamilton certainly gave them an inspiration. In the letter was mentioned the fact that Joan and Jane were theatre enthusiasts. They recently had gone to the Golden Square, owned by *Bob Darst*. One of the features that amazed them very much was a skating act by *Marilyn Athey*. They also mentioned the breath-taking acrobatic act by *Lois Dowler*, *Mary Bentley* and *Wanda Burrell*. As they were leaving the theatre, they said they heard the newsboys yelling: "Extra, Extra, Read all about it!" *Paul Beggrow* just elected Governor of New York. That boy surely gets around. Their letter ended by saying they were sending a carton of Multaw popcorn.

We went into town for a while and at the grocery store owned by *Duane Stevens* we got more information about the Class of 1950, and Hamilton High School. It seems that the United States Government extended the Lockbourne Field and housed thousands of people in the area that used to be surrounding our high school. Hamilton High School is now located on High Street, and may soon be considered in Columbus. Governor *Herb Lowery* and his Manager, *Jimmy Johnson*, did a lot toward bringing Government construction to Ohio.

Then we went home and prepared for the dance. Who was at the hotel? A lot of her new friends but among the guests were *Jean Kramer* and *Mary Lou Burchfield* who were on their way to South America. It seems they wished they had taken McMichael's Spanish at Hamilton and were now trying to make up for lost time. They told us that *Pauline Reed* is now married and living in California.

We had a slumber party that night and we invited Jean and Mary Lou, which reminded us of that slumber party when we were Seniors. We exchanged news and it seems that the *Crosby* sisters are signing with *Harry Hall's* band. It consists of *Harry Schutte*, *Don O'Harra*, *John Hurley*, *James Greenlee* and *Edsel James*. I also told them about *Attree McClish* who is now playing for the New York Philharmonic Orchestra. *Hanford Costlow* has now signed a four-year contract with the New York Yankees. *Bob Cartt*, *Allen Fry* and *Bob Green* have entered their hot rods in a junk yard derby.

I don't remember who mentioned it but it seems that *Norma Anderson*, *Betty Everetts* and *Vivian Geedey* have an exclusive ladies' shop on the corner where the Union used to be. Their advertisement that was sent to Wanda featured *Eloise Wyatt*, *Nancy Lytle*, *Nancy Overstreet* and *Janet Johnston*. These former cheerleaders are now signed up with a professional league and they can be seen training new recruits for the cheerleading and majorette work. The last I heard they were going to Europe to cheer for the United States Olympic team in which *Fred Tope* is a member.

Of course you heard that *Ralph Lockett*, *Don Smith* and *Bill Trott* have now graduated from Ohio University, where they played basketball for their alma mater. They are now rival coaches in the various high schools in Ohio.

Ruth McCarty, *Victoria Moore* and *Dorothy Obetz* are secretaries in the Court House in Columbus. It seems they knew how to be quiet when necessary and impressed the Judge, *Hansel Rhodes*.

Melvin Lozier is now doing sculpturing in Paris. On his way over he saw the great shipbuilder *Duane Vaughn*. Duane has made a contract with Melvin to construct a memorial to the Class of 1950 on the site of the former building that we knew as our high school. It will be made of marble.

Bernard Cordell is now in Hollywood and is creating hair styles for Hollywood's newest actresses, *Ruth Holden* and *Joan Hoon*. He also helped *Hilda Wears* when she was Queen for the Tournament of Roses.

Laura Mae Creech is now head of a travel bureau out of San Francisco. She had been a Primary teacher but things got too dull.

Don Leddy, *Kenny Roseberry*, and *Gene Sawyer* are now in the Armed Forces. And what do we hear about *Doyle Scarberry*? He is now a candy manufacturer. He got his inspiration the night of the Groveport game.

Dean Storts is seen on television in the great wrestling matches.

THE COMPLETE USE of electricity is rapidly changing our way of life—and for the better!

Completely electrified homes and farms, using low-cost, easy-to-operate, time-and-labor saving electrical conveniences, mean better living and easier working.

Rely on electricity exclusively to do ALL the jobs—not merely for lighting but for the *big time-and-energy consuming* jobs like Refrigeration, Cooking and Water Heating—and thus gain the lowest price through widest use of the best method.

It's wise to use electricity for any job... wiser to use it for *more* jobs... and wisest to use it *exclusively* for ALL the jobs. Go ALL-ELECTRIC, The Modern Way.
